

PATTERN 2 - SEWING UP

Attach scarf at the back with 2 or 3 stitches. Do not stitch down at front. Sew paws and arms and sides, also inner legs, leaving an opening for stuffing. Stitch across corners of head with a running stitch to make ears. Stitch a smiling mouth (using small stitches) and a nose and eyes. Please sew running stitches (rather than just winding wool) round the head base and draw up to shape head and make a neck.

Filling: Please use acrylic filling. Please do not use foam as this can be dangerous to children.
